SHOTGUN

Size Inside: 7.25" x 3.875" x 2"
Weight: Approximately 4.5 lbs

Owner's Manual, Warranty Card and Foam Bed Liner Template (not shown)

SHOTGUN SOLO-VAULT FEATURES:

- Secures all pump, semi-auto and O/U shotguns*
- 14 gauge steel construction
- Double locking hooks
- 1000+ combination programmable push-button lock
- Reversible left or right opening door
- Fully adjustable Trigger Blocks
- Pump Action Hanger
- Foam Bed Liners
- Multiple mounting holes
- MADE IN THE USA

*Ghost rings, scopes or sidesaddle shell carriers will not work with this product.

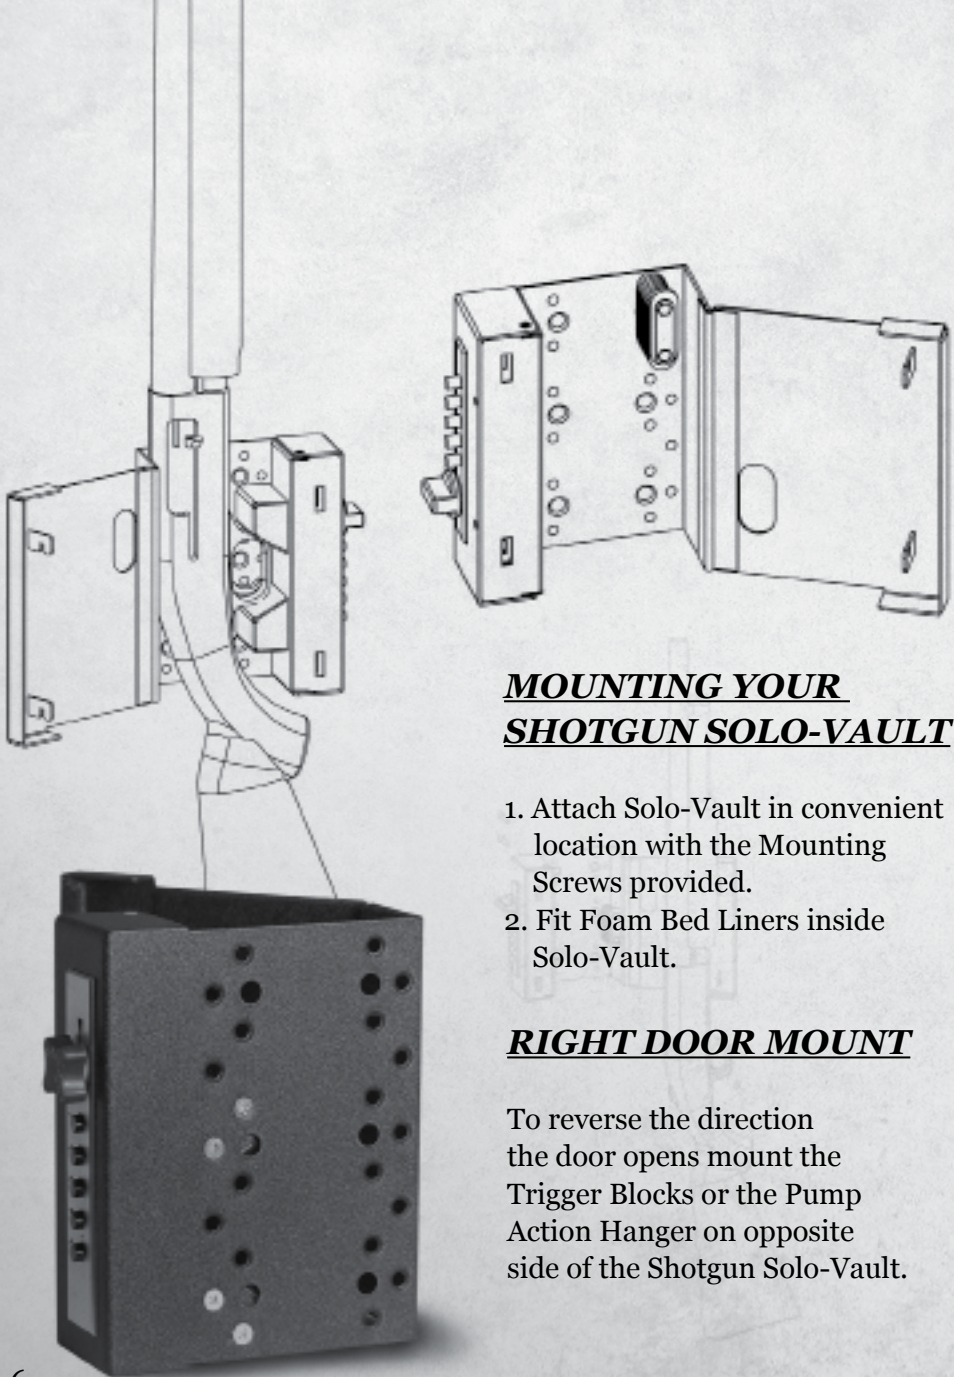

SHOTGUN SOLO-VAULT ASSEMBLY

Semi-auto and O/U Shotguns

1. Lay Solo-Vault down either left or right opening, as preferred.
2. Lay shotgun down inside Solo-Vault with bolt handle pointing up and position Trigger Blocks snugly around trigger assembly.
3. When the action is closed, bolt handle should be above the Solo-Vault, but as close as possible to the top of the door.
4. When the action is open, the handle will protrude through the hole in the door.
5. For left-handed shotguns Trigger Blocks may be mounted on left.
6. Trace positions of the Trigger Blocks onto the Foam Bed Liner Template and use template to cut Foam Bed Liners to fit around Trigger Blocks.
7. Using M5x14mm screws attach Trigger Blocks to confine trigger assembly inside Solo-Vault.
8. Insert Foam Bed Liners.
9. Adhere ShotLock logo to front of Solo-Vault.

Pump Shotguns

1. Lay vault down either left or right opening, as preferred.
2. For left-handed shotguns, Pump Action Hanger may be mounted top left.
3. Trace the position of the Pump Action Hanger onto the Foam Bed Liner Template, then use the template to cut Foam Bed Liners to fit around Hanger.
4. Using M5x14mm screws attach Pump Action Hanger to inside of Solo-Vault.
5. Insert Foam Bed liners.
6. With action open, place ejection port over Pump Action Hanger.
7. Adhere ShotLock logo to front of Solo-Vault.

MOUNTING YOUR SHOTGUN SOLO-VAULT

1. Attach Solo-Vault in convenient location with the Mounting Screws provided.
2. Fit Foam Bed Liners inside Solo-Vault.

RIGHT DOOR MOUNT

To reverse the direction the door opens mount the Trigger Blocks or the Pump Action Hanger on opposite side of the Shotgun Solo-Vault.

CCW SOLO-VAULT **FEATURES**

- Secures all compact and sub-compact semi-automatic pistols up to .380 and 9mm
- 14 gauge steel construction

- Multiple mounting holes
- MADE IN USA

MOUNTING YOUR **AR SOLO-VAULT**

- Determine desired mounting location.
- Locate stud in wall.
- Secure AR Solo-Vault to stud using 3 mounting screws (not provided)

OPERATION

Unlocking

1. Turn knob left (counter-clockwise) to CLEAR position and release. The knob will spring back to LOCK position and activate the buttons.

2. Enter current combination. (The factory set combination is 1-3-5)

3. Turn knob right (clockwise) to the UNLOCK position and open door.

4. Leave knob in UNLOCK position so that the ShotLock is in open position to receive the door.

Locking

1. Make sure knob is in the UNLOCK state so that the Solo-Vault is in the open position to receive the door.

2. Close door.

3. Turn knob left (counter-clockwise) to LOCK position.

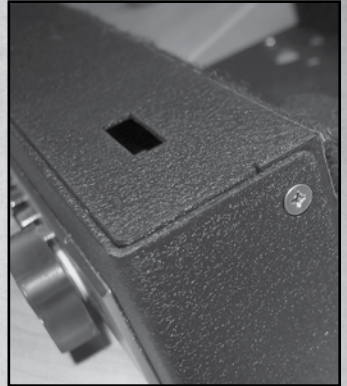

FACTORY CODE COMBINATION

 1 - 3 - 5

CHANGING COMBINATION CODE

You can change your combination using one, or all 5 buttons, in any order. Two or more buttons may be pushed at a time, BUT each button can only be used once. Simple 2- and 3-button combinations are easy to remember and provide adequate security.

1. Open door and turn knob left (counter-clockwise) to CLEAR position and release.
2. Remove two screws at either end of locking bar and remove lock cover.
3. Enter current combination.
4. Depress reprogram button (marked red) inside the lock (opposite end from knob).
5. Turn knob left (counter-clockwise) to CLEAR position and release. This clears the current combination.
6. Press buttons firmly in desired sequence for new combination.
7. Turn knob right (clockwise) to UNLOCK position. This sets the new combination.
8. We recomend that you test your new combination with the door still open.
9. Replace cover.

Lock Cover Screw

Reprogram Button

RECORD NEW COMBINATION AND KEEP IN A SAFE PLACE.

DO NOT TO LOSE YOUR COMBINATION CODE!

If you do, contact customer service at 800-967-8107. Regaining access will require a locksmith and/or returning your Solo-Vault to TruckVault for repair. If your Solo-Vault cannot be satisfactorily repaired, you will need to purchase a replacement.

TROUBLESHOOTING

PROBLEM 1

1. Knob will not turn after combination has been entered.

POSSIBLE CAUSE

- a) Combination entered incorrectly or buttons not pressed firmly enough.
- b) Knob turned the wrong way.

SOLUTION

- a) Turn knob counter-clockwise to CLEAR buttons and reenter combination, making sure each button “clicks” when pushed.
- b) Reenter combination and turn knob clockwise to UNLOCK position.

PROBLEM 2

2. Buttons do not “click” when pressed.

POSSIBLE CAUSE

- a) Buttons were already pressed and not cleared.
- b) Buttons were not pressed firmly enough.

SOLUTION

- a) Turn knob counter-clockwise to CLEAR buttons.
- b) Turn knob counter-clockwise to clear buttons, then press each button until it “clicks.”

LIABILITY DISCLAIMER AND FULL WARRANTY

TruckVault, Inc. guarantees to the original purchaser that the ShotLock™ Solo-Vault product is free from defects in material and workmanship for a period of 2 years (24 months) from the date of purchase.

In the event of any defects in material or workmanship, TruckVault's sole liability shall be to repair or replace the defective product or components, at its sole discretion. Allow six to eight weeks for repair or replacements.

The conditions and extent of the Warranty are as follows:

- If it becomes necessary to send the product to TruckVault, the product must be shipped in its original carton or equivalent, fully insured with all shipping charges prepaid. TruckVault is not responsible for any loss or damage incurred in shipping.
- Advance return authorization is required from our Customer Service Department (800-967-8107). If service on the product is required during the warranty period, obtain the authorization and send your product, together with a copy of your sales receipt with date of purchase (required), name, street, daytime telephone number and (if available) e-mail address to:

ShotLock c/o TruckVault PO. Box 734 / 211 Township Street Sedro-Woolley, WA 98284-0734

- This Warranty is void if (except for law enforcement personnel) the product is used for commercial purposes, or if service has been performed on the product by anyone other than TruckVault.
- This Warranty does not apply to any product that has been altered, misused, neglected or which has been used other than in accordance with the furnished instructions.
- Except to the extent prohibited by law, all implied warranties are disclaimed, including fitness for a particular purpose, merchantability and course of dealing or trade, and in no event shall they have greater duration than the warranty period set forth above.
- Under no circumstances shall TruckVault or its vendors be liable for any loss or any damage, injury or death, or direct, incidental, consequential or punitive damages arising out of or attributable to the malfunction, use or inability to use (including but not limited to because of a lost, misplaced, stolen or forgotten code) the product.
- Some states do not allow limitations on how long an implied warranty lasts or limitations or incidental or consequential damages, so THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU, THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE.
